PLACE HOLDER DOCUMENT

FOIA Case Number: EPA-R10-2021-006308

Description:

“records of the following type in the possession, custody, or control of the U.S. Environmental Protection Agency (“EPA”) for the time period starting from January 3, 2017, through the present:

1. All records that mention, discuss, refer to, or involve the Portland Harbor Superfund Site in Portland, OR, ORSFN1002155 (“PH”), and the EPA’s updated risk assessment of Benzo[a]pyrene (“BaP”) released on its Integrated Risk Information System (“IRIS”) in January 2017.
2. All records that mention, discuss, refer to, or involve the updated risk assessment for BaP released on IRIS January 2017 and the remedial action levels and cleanup levels of polycyclic aromatic hydrocarbons (“cPAHs”) established in the Record of Decision (“ROD”) for PH signed on January 3, 2017.
3. All records that mention, discuss, and/or analyze the updated risk assessment for BaP released on IRIS January 2017 and the remedial action levels and cleanup levels of cPAHs established in the ROD for PH.
4. All records that mention, discuss, refer to, or involve the LDW that request, suggest, mention or initiate consideration by the EPA of modification of the remedial action levels and cleanup levels of cPAHs established in the ROD for PH.
5. All records that mention, discuss, refer to, or involve the LDW that request, suggest, mention or initiate consideration by the EPA of development of an Explanation of Significant Differences (“ESD”) consistent with the Section 117(c) of the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA) modifying remedial action levels and cleanup levels cPAHs established in the ROD for PH.

6. All records that have been deleted which fit the above specifications and which remain recoverable in any way. If fulfilling this specification requires additional time, we would ask that production of documents meeting specifications 1-5 be given priority and processed separately from any potential responsive records to this specification.”

Records responsive to this request were previously released to the public under the FOIA Case Number(s) listed below:

EPA-R10-2019-004041

Type the case number in the search box in the upper right hand corner of FOIAonline’s home page. Click on the Tracking Number link, scroll down to the section titled ‘Released Records’ then select the file(s) you want to download.
